

Deburrer - Aerospace

Dynamatic Ltd UK are currently seeking a full time/permanent Deburrer to work within its busy and rapidly expanding Aerospace Division at its facility in Swindon on a day shift.

The appropriate candidate will have previous experience working in an engineering or manufacturing environment and have good attention to detail.

Duties:

Deburring of aircraft parts.

Finishing product ready for dispatch.

Skills:

An understanding of engineering drawings would be beneficial.

Use of hand tools.

Able to work in a team environment.

Apprenticeship or Engineering qualifications are desirable.

In line with the requirements of the Asylum and Immigration Act 1996, all applicants must be eligible to live and work in the UK. As part of the recruitment process, you will be asked to provide suitable ID and documented evidence of eligibility.

Benefits:

- Holidays: 25 days holiday plus bank holidays per year
- Life Assurance Cover x 2 annual salary
- Company Pension
- Hours of work: Monday to Thursday 07.00 - 16.00 (Half hour lunch), Friday 07.00-Midday
- Free parking
- Annual pay review
