

## **Setter Operator/ Grinder**

Location: Dynamatic Ltd, Cheney Manor Industrial Estate, Swindon

We currently have a vacancy for a Setter Operator/ Grinder reporting to the Cell Leader.

The role involves:

- The setting and running of manual/ CNC machines.
- Correct process methods including use of gauging to ensure quality standards are met.
- Ensuring production batches are completed on time whilst maintaining machine and machine tools.

Qualifications:

- Mechanical Engineering Apprenticeship.
- BTEC or City and Guilds qualification in Mechanical Engineering or equivalent.

Experience:

- CNC Grinding experience would be an advantage.
- Previous experience of working within a manufacturing environment.

If you are interested in applying for this position, please submit a CV detailing how you meet the requirements to [rebecca.evans@dynamatics.net](mailto:rebecca.evans@dynamatics.net)
